TOILETTAGE

In order to provide a safe, efficient service while following the recommended health guidelines, please take a moment to review our regulations.

-  **IMPORTANT:** Wearing a mask is obligatory.
-  Please respect your scheduled appointment time. If you are late, you risk losing your spot.
-  It is important that you be available to pick up your dog at the scheduled time. We must follow a strict schedule in order to disinfect the area after each dog and avoid contact between dogs. If you are late, additional fees will be applied.
-  Dogs **MUST** be on a leash.
-  At the door, we will place a clean leash on your dog and you can leave with yours. Please remember to bring your leash when you return to pick up your dog.
-  You can cancel your appointment by leaving a message at **450-687-2246** by 6pm the day before your appointment. If not, a **\$20** cancellation fee will be applied.

We thank you for your understanding and cooperation.
